

UPDATE - EUREX Classic Simulation

In ECC Clearing Circular 20/2018, ECC announced that the simulation environment of EUREX Classic Clearing System will not be available **between 30 July and 10 August 2018**.

Due to a change in planning ECC will now be able to offer the full simulation system as usual to all Clearing Members and Non-Clearing Members during the above timeframe. There is no need for any special considerations within the above mentioned timeframe anymore.
