- Webinar scheduled for **07 January 2021** – register [here](#)
- Review our [Poland Member Readiness Checklist](#) for how to be ready to trade in Poland

Dear EPEX SPOT Member,

We are pleased to inform you that the **launch of the Polish Day-Ahead auction is targeted for January 2021, with the Intraday continuous market to follow early 2021**, subject to regulatory approval and successful testing.

Thanks to the Multi-NEMO MNA project and Single Intraday Coupling (SIDC), we will be able to offer Day-Ahead and Intraday trading in Poland to further complete our **one-stop-shop pan-European offer together with ECC**. As an EPEX SPOT member, you will in particular have **from day 1 guaranteed access to Polish liquidity and a robust reference price on the coupled MRC Day-Ahead auction (at 12:00 CET)**.

1. Our Polish product offer

To benefit from the full product suite you are used to in our current markets, we will be offering **all classic and smart block order types (linked, loop, curtailable, exclusive & big blocks) with a block size of up to 500 MW for classic blocks and up to 800 MW for big blocks**.

For a full list of product specifications, please see the document attached to this communication.

2. Fee holidays for 2021

We will be offering a **Trading Fee and Clearing Fee holiday until 30 June 2021** and a full **Market Access Fee holiday until the end of 2021**, which will allow you to take full advantage of these newly launching markets.

You can review our competitive fee scheme in our [price list](#) in the Member Area downloads section. Be sure you are logged in to access the file.

3. How to participate in member tests on ETS

Member testing for the Polish Day-Ahead auction will take place on 05, 07 and 08 January 2021. Simply click on this [link](#) to register for testing. Further details to connect to the simulation environment and timings of the tests will be sent next week. The deadline to register to the member testing is **22 December 2020**. Testing dates for Intraday continuous will be announced as soon as the dates are confirmed.

The default access to Polish market area in simulation environment will be granted to USER 1 and PORTFOLIO 1 in ETS. If you wish to have another user and/or portfolio set up for the member testing, please email ets@epexspot.com.

You will receive a confirmation email once the simulation environment reflecting the additional Polish market area has been set up. To access the member simulation environment, please modify the settings of your ETS fixed client or upgradable client with the following server address before connecting:

Environment details for member tests

Environment	EPEX SIMULATION 2
ETS version	3.4.6
ETS Server address	ets-simu2.epexspot.com / port 4443
API hostname	ets-simu2.api.epexspot.com
API port	4444
API end point	https://ets-simu2.api.epexspot.com:4444/OpenAccess/3.2 (if using the 3.2 schema) https://ets-simu2.api.epexspot.com:4444/OpenAccess/3.3 (if using the 3.3.2 schema) https://ets-simu2.api.epexspot.com:4444/OpenAccess/3.4 (if using the 3.4.6 schema)
API WSDL version	WSDL v3.4 Supported API schemas: 3.2, 3.3.2, 3.4.6 To retrieve the WSDL: https://ets-simu2.api.epexspot.com:4444/OpenAccess/3.4?wsdl

Full details about EPEX SPOT ETS environments can be found in the member area on EPEX SPOT website [here](#).

If you have forgotten your credentials, please contact ets@epexspot.com.

4. Webinar registration

The Poland Market Expansion webinar is scheduled for 07 January 2021 from 14:00 – 15:00 CET in order to provide you with all the information you need regarding trading and product specifications, registration requirements, and more. [Click here](#) to register for the Webinar.

5. Member readiness & useful documentation

To get set up with us for trading in Poland from go-live, simply download our [Poland Member Readiness Checklist](#) to have the overview of necessary registration forms (see also attached TP & TAA forms – the only two forms needed on EPEX and ECC side) and unique requirements for the Polish market. Be sure you are logged into your member area to access it.

For the EPEX registration TAA form, please contact membership@epexspot.com to sign it digitally via DocuSign.

Please feel free to also contact sales@epexspot.com or your key account manager and they will guide you through the process.

Yours faithfully,

The EPEX SPOT Team
