

YOU ARE AN EPEX SPOT MEMBER INTERESTED IN TRADING IN POLAND

HOW TO TRADE IN POLAND

TRANSMISSION AGREEMENT

- ❑ Sign the Contract on Provision of Electricity Transmission Services with the Polish TSO, Polskie Sieci Elektroenergetyczne (PSE)

Documents in Polish: [Wzory wniosków i umów](#)
Documents in English: [Agreements and applications templates](#)

LOCAL TRADING LICENSE

- ❑ Register with the Polish government to obtain the local trading license if needed.

Click [here](#) for more information

WIRE PROTOCOL FOR NOMINATIONS

- ❑ **Option 1:** Develop and install your own WIRE nomination system
- Option 2:** Purchase an SaaS solution with an external service provider

Click [here](#) for more information (in Polish)
Contact: sales@epexspot.com

CLEARING

- ❑ For Non-Clearing Members and Direct Clearing Participants, fill out the respective Trading Participant (TP) Forms available on ECC's website. In the ECC TP Form(s), you will need to submit the following codes:
 - Scheduling Unit Code / Nomination unit (JG)
 - JG Name
 - Market Operator Code (OR)
 - OR Name
- ❑ Contact your Clearing Member to adjust your trading limit in case modifications are required

Contact: memberreadiness@ecc.de
Download: [TP Forms](#)

Contact: limits@ecc.de

EPEX MEMBER READINESS

- ❑ Sign our Trading Agreement Amendment (TAA) via DocuSign so that you avoid sending 2 original copies by post mail
- ❑ For API users, amend and test your API application to ensure it can handle the new Polish delivery area (private and public data retrieval and/or order management)
