

Revised go live date for the market launch of PEGAS JKM LNG future

We would like to inform you that the date for the introduction of the PEGAS Liquefied Natural Gas future based on the Japan Korean Marker (JKM®) has to be rescheduled.

The new Go Live Date will be 21 May 2019 subject to successful implementation and testing.

For further details on the product setup, clearing and settlement processes and pre-conditions for participation we advise to consult Clearing Circular No. 51/2018 published on 29 November 2018.
