Delisting of Phelix-DE/AT Month and Quarter Options

Due to the complete shift of liquidity towards Phelix-DE Options, EEX has decided to discontinue exchange trading in the Phelix-DE/AT Month and Quarter Options with immediate effect. The entry of orders as well as trade registration will no longer be possible. The following products are affected:

Short Code	Name
O1BM	Phelix-DE/AT Base Month Option
O1BQ	Phelix-DE/AT Base Quarter Option

The respective information in the ECC Clearing Specification within the chapter “Contract Specification for Options on Power” is already updated.

Delisting of Physical Power Futures for Slovakia

Due to the transfer of liquidity in Slovakian power to financial products, EEX discontinues exchange trading in physical Power Future for Slovakia with immediate effect. The entry of orders as well as trade registration will no longer be possible. The following products are affected:

Short Code	Name
FSBM	PXE Slovakian Physical Power Base Month Future
FSBQ	PXE Slovakian Physical Power Base Quarter Future
FSBY	PXE Slovakian Physical Power Base Year Future

The product offering in financial Power Future for Slovakia remains unaffected by this change.

The chapter “Contract Specification for Physical Futures on Power” in the ECC Clearing Specification is already deleted.
