

Reminder: Decommissioning Eurex Classic GUI on 13 January 2020

Summary

On **13 January 2020** ECC will decommission the access to Eurex Classic GUI (@X-tract GUI) for users. Existing windows and information are available in the C7 Clearing System or on other resources or will be made available as of the date of decommissioning. ECC has published details with regards to the functionalities in the Clearing Circular 40/2019 published on 11 September 2019.

ECC would like to remind all participants still using Eurex Classic GUI (@X-tract GUI) to prepare for the transition of business processes to the new source of information. Existing and new windows and functions in C7 GUI:

- Settlement price overview
- Margin requirement information
- Maintenance of auto give/ take-up approval for Clearing Members (will be available as of 13 January 2019)

Information which is currently available on Eurex Classic will be available on the Eurex Clearing website only after the decommissioning of the @X-tract GUI:

- Admissible securities
- Exchange rates
