

Harmonization of Clearing Fees for Power Day and Weekend Future Contracts

Dear trading participants,

ECC hereby informs about changes in clearing fees for Day and Weekend Future contracts for **German and Spanish Power**.

As of 1 November 2021, a clearing fee of 0.01 €/MWh will apply which aligns the fee structure for the German and Spanish Power Day and Weekend Future contracts with Power Day and Weekend Future contracts for other EEX market areas.

The fee adjustment will be subsequently published in the ECC Price List ([LINK to the current ECC price list](#)).

Please also note the corresponding adjustments to the EEX trading fees ([LINK to the current EEX price list](#)).
