

No increase of Price Limit on MRC Day-Ahead Auctions

ECC informed on the 6 September 2022 with the Circular 33/2022, that on 20 September 2022 (Trading Day), EPEX SPOT, HUPX, SEMOpX and SEEPEX would increase the price limit for the SDAC Day-Ahead Auctions from 4000€ to 5000€. Price limit increase would also be implemented on the local EPEX SPOT auctions in AT, BE, CH, DE, FR, NL on 20 September 2022 as well as in the SEEPEX Day-Ahead Auction.

Following the European Commission's and ACER's decision to suspend the HMMCP methodology, Nominated Electricity Market Operators (NEMOs) **will not increase** the maximum price level in the Single Day-Ahead Coupling (SDAC) auction.

The maximum clearing price on the SDAC auction as well as on the EPEX SPOT local auctions in AT, BE, CH, DE, FR, NL will remain at 4000€/MWh. The increase that was scheduled to take place on 20 September 2022 has been cancelled.
