Go live Electronic invoicing dispatching process

Summary

From **invoice month March 2016** onwards, ECC will change to an electronic invoice dispatching process, which we already announced within Clearing Circular no. 42/2015.

All users who sent us back the form for the electronic invoice procedure will receive their specialized user name and the respective start password by end of March 2016.

The dispatching of the first electronic invoices will start at the beginning of April 2016.

We are, of course, at your disposal in case you have any questions.
