Updated information concerning ECC Clearing Circular 19/2016

Summary

With ECC Clearing Circular 19/2016 we informed you about the enhancement of the EEX Freight, Iron Ore and Coal products.

Due to technical reasons, the Product ID for Options on the Supramax TC Freight Futures has had to be renamed from OSTM to OTSM.

The ECC Clearing Specification and Contract Details files have been amended accordingly and are available on ECC's website.

We are, of course, at your disposal should you have any questions.
