Reminder: Change of ECC FTP Server

Summary

In circular 25/2016 ECC informed about the change of its FTP server for spot market reports and invoices.

ECC will disconnect the current FTP server on 20th July 2016 in the morning. Please make sure to switch to the new FTP server latest until 19th July 2016 EOB.

On 20th July ECC offers a hotline +49 (0) 341 24680 190 from 10am to 6pm for all questions regarding the FTP server change.

The details for the new production FTP server are:

Domain name:	ftps.ecc.de
IP address:	85.239.110.88
Login:	No change (please be advised that user names will be case-sensitive)
Access:	ftps (Port 21) & sftp (Port 22)

All participants that have already switched to the new FTP server via IP address are not affected by the deactivation. Participants that rely on the domain name will be automatically routed to the new FTP server.
