Trading System Migration

With reference to the Clearing Circular No. 43 this Clearing Circular announces that the target date for the migration of the Belgium (BE) and The Netherlands (NL) Intraday markets from the EuroLight to M7 trading platform (ex-ComXerv), planned for the 27th September 2016, has to be postponed by 1 week to 4th October 2016 on decision of EPEX SPOT. All activities related to the migration will be delayed by 1 week.

Single Sided Transaction (SST)

With reference to the Clearing Circular No. 37 this Clearing Circular announces that the introduction of the Single Sided Transaction Process (SST) for participants in the market area of TenneT Netherlands, planned for the 27th September 2016, is postponed by 1 week to 4th October 2016 as well.

If there is no further announcement from ECC side the migration and introduction of SST will be conducted on 04th October 2016.
