EEX prolongs trading hours of Emission Options on expiry days

The European Energy Exchange (EEX) prolongs the trading hours of emission options on the expiry days from 3:00 p.m. CET to 6:00 p.m. CET. The underlying prices will be calculated during the traditional settlement price window between 5:50 p.m. CET and 6:00 p.m. CET. The option exercise time will be moved to 6:45 p.m. CET.

Subject to the approval of the EEX Exchange Council in its next meeting on 9 December 2016, these amendments will be published in the aftermath of said meeting and will then enter into force.

The ECC Clearing Specification will be amended accordingly and is available on ECC's website.
