

## New go live date for Trading System Migration from EuroLight to ETS for EPEX UK Auction Markets

With reference to the Clearing Circular 02/2018, we would like to inform you that the change in the Auction trading system from EuroLight® to ETS that was planned on 20 March 2018 has been postponed.

A new go-live date will be communicated at the end of this week, due to technical adaptations and to allow trading members additional testing for the API.
