

Revised go live date for the Market Launch of SEMOpx and the introduction of Coupled Auctions between Ireland, Northern Ireland and Great Britain

With reference to the Clearing Circular of 11/2018, we would like to inform you that the Single Electricity Market Committee (SEMC) in Ireland and Northern Ireland has announced a revised go live date.

Subject to the completion of a market wide change control process, the **revised go-live date is foreseen for October 2018**. This change affects both the Market Launch of SEMOpx as well as the introduction of the new Intraday Auctions at EPEX SPOT.

ECC will inform the market in due time about a revised detailed go live plan.
