Hallo Leipzig.

Welcome to our World.

Hello from ECC, the leading clearing house for energy and commodity products in Europe. As part of EEX Group, we have our roots in Leipzig* and 16 offices worldwide. We provide security for our customers, by ensuring the physical and financial settlement of transactions for EEX Group and further partner exchanges. Why are we so successful? We are a team of individual experts that drive forward exciting projects while sharing experiences, celebrating success and creating memories, together. With you as:

IT Solution Architect (f/m/d) -Nomination Processes-

Your tasks:

You will be responsible to create tailor-made IT solutions fitting the requirements from the business stakeholders using latest technologies. It is important that you ensure that the proposed solutions can be integrated easily in the existing IT enterprise architecture of ECC and also the compliance with all internal and external standards, procedures, best practices etc. Furthermore, you will serve as link between business departments, IT Operations and software and infrastructure providers, therefore you develop and maintain an effective working relationship with all stakeholders. Your personal skills to communicate and consult others with regards to complex topics, customer orientation and self-driven working mode are your success factors.

After all, we value the exchange of ideas, being there for each other and encouraging each other to become better. We call it: the exchange mindset.

You have made it this far – together with us you can go further: Please send your job applications to Michael Schur at jobs@ecc.de or have a look online at ecc.de > Career. You are welcome at any time.

(For encrypted transmission of your applicant details, please contact jobs@ecc.de)

We offer you:
› Attractive salary package with many benefits including childcare facilities, meal allowance, job ticket, sport and recreational events
› Personal development thanks to extensive further training opportunities
› A place in a dynamic and international team within EEX Group and Deutsche Börse Group
› A long-term perspective in the constantly growing and evolving energy industry
› Bespoke onboarding plan

The exchange mindset.

You bring along:
› Several years proven experience as Solution Architect
› Experience with IT Architecture Management (e.g. TOGAF®, ArchiMate®), Software Architecture & Network Design is mandatory
› Knowledge of power or gas nomination process
› Knowledge of dataflow management, hardware infrastructure and cloud technologies are desirable
› Experience of working in a bank and/or a commodity environment is appreciated
› Experience of agile/scrum-based working
› Business English at negotiation level
